

CLEARs CLOUDY WATER FAST Miraclear Blue

Sparkling Clear Pool Water

Amazing. Impactful. Easy. Nothing is more inviting on a hot day than clear blue pool water with the illusion of diamonds dancing on the surface, sparkling in the sun. THAT is the clear you will get with Lo-Chlor Miraclear Blue.

- **'Polishes' pool water to a sparkle**
- **Boosts filter efficiency**
- **Compatible with all pool surfaces**
- **Will not affect pool chemistry**
- **Biodegradable**
- **Use less chlorine**
- **Non-toxic and non-irritating**

In this easy-to-use, concentrated deep blue liquid formula, Lo-Chlor Miraclear Blue is a full 20% stronger than other major brands' comparable products. Carries the microscopic particles that cause cloudy water to the filter for removal. Leaves water polished to a sparkling shine. This highly concentrated formula requires only 2 oz. to clarify 12,000 gallons of pool water.
